-----oo0oo-----

UNITED STATES OF AMERICA,

No. 2:95-cr-20-01 WBS

Plaintiff,

v.

ORDER

JUAN AGUILAR-CORTEZ,

Defendant.

-----oo0oo-----

Defendant Juan Aguilar-Cortez has filed a "Motion for Cause" apparently asking the court to clarify why it has denied one or more of his motions to reduce his sentence. (Docket No. 374.) The court notes that it already discussed its reasons for denial of defendant's motions, most recently in orders issued December 12, 2022 (Docket No. 359) and May 17, 2023 (Docket No. 361). Moreover, the Ninth Circuit affirmed the court's denial of his last motion via written order on April 4, 2024. (Docket No. 373.) No further clarification will be given, and the motion is DENIED.

1 IT IS SO ORDERED.
